## **NEW TOOLS AND ACCESSORIES FROM SABER®**

COLUMBUS, GA – September 20, 2016 – Saber Grills, LLC will be showcasing new accessories at the 2016 Casual Market in Chicago (Booth # 7-1094):

The **SABER EZ Stainless Griddle** is a commercial grade heavy duty griddle that fits on top of the grill's surface. Ideal for pancakes, delicate cuts of fish, vegetables or grilled cheese, the griddle's durable stainless steel surface retains heat for true restaurant-quality cooking. The griddle features an EZ clean grease tray that controls grease splatter during cooking, collects all food debris, and slides out for easy cleaning.

Measurements are 16.25" x 12.25" x 2.75" inches; 199 sq. in. cooking surface. MSRP \$97.99.

The **SABER EZ Temp Digital Meat Thermometer** (MSRP \$38.99) offers a fast and simple way to measure the doneness levels of any meat. In only five seconds, the 5.5-inch probe delivers an accurate read on the internal temperature of beef, poultry, turkey, lamb and pork. The EZ Temp comes pre-programmed with seven meat types and doneness levels but can be set to remember user preferences. Auto-off shuts down the thermometer if there is no use for six minutes, extending battery life.

Additional features:

- Foldable design for easy storage and 180 degrees of measuring positions
- Premium stainless steel probe
- Audible user set temperature alarm
- Easy-to-read backlit LCD readout
- °F or °C selectable temperature
- Uses (2) AAA batteries.

The **Cool Touch™ Grill Brush** is an innovative tool designed to last five times longer and clean better than traditional wire brushes. It has stiff, abrasive nylon bristles that won't shed and are angled to clean between and under the cooking grates without breaking or causing damage. As the name indicates, the SABER Cool Touch brush (MSRP \$12.99) is designed for use on cool-to-touch surfaces, which means cleaning the grill after it's cooled or just prior to use.

-More-

Additional features:

- Wide brush heads and long, angled bristles clean a larger area and reach between and under grates
- Integrated double edged metal scraper tackles the toughest cooked-on debris
- Removable, dishwasher-safe bristle head for easy cleaning – or replacement
- Handle hook attaches brush to the grill for easy access/storage.

**About SABER:** Saber Grills, LLC designs and manufactures premium gas grills, outdoor kitchen islands, outdoor kitchen components and outdoor cooking accessories. Based in Columbus, Georgia, the SABER brand is a division of Char-Broil®, one of the oldest and most respected outdoor cooking companies, whose parent company is W.C. Bradley Co. ([www.wcbradley.com](http://www.wcbradley.com)), a privately-held company that owns several high-quality consumer goods in the leisure market. SABER is sold exclusively through independent outdoor living retailers. Visit SABER grills at [www.sabergills.com](http://www.sabergills.com).
